## SEDARIM & CONFÉRENCES

**The particular character of each holiday is reflected by the name of the holiday, as well as by the Mitzvot, customs, and traditions attached to it. One of the culminating aspects of Passover is indicated to us by the name that the Anechei Knesset Hagdolah (Men of the Great Assembly) have given to this feast.  
Zemane 'Hérouténou, « the time of our freedom »**

**Rav Yaacov Gabbay, will do us the honor like this summer to lead the offices as well as the conferences throughout the stay**

### SEDARIM

**The two Passover evenings have become real moments of conviviality, proving that Passover can be celebrated with family as well as in community. For you we organize: A collective Seder, A private Seder keeping the particular character of each**

### CONFÉRENCES

**Passover is also a time for reflection around TORAH & current topics. In these years of technological and health upheavals, the word of the great Torah masters is of crucial importance. We will have the pleasure of discovering their approach, their audacity and their choices.**

## KIDS CLUB

Give your children an unforgettable vacation by taking part in lots of fun activities, in the hands of our friendly early childhood professionals. The Kids Club offers a wide range of activities to entertain children from 4 to 12 years old.
